

QHSE – INTEGRATED MANAGEMENT SYSTEM POLICY

(Quality, Occupational Health, Safety & Environment Management System)

“To be the leading engineering, manufacturer and supplier of Engineered & Manufactured Products and Services.”

We are committed to become one of the leading “Total Solutions provider for The Process Plant Industry” by providing reliable products and services to achieve our customer’s satisfaction by meeting their stated & implied requirements through the following guidelines:

- 🌐 By showing visible leadership and personal accountability at all levels.
- 🌐 By implementing and establishing requirements of integrated management systems to enhance Quality, Occupational Health, Safety & Environment.
- 🌐 By continual improvement in our integrated management system through process approach.
- 🌐 By striving for customer satisfaction on every project.

We pledged to provide better working conditions and protect the environment as a result of our activities, products and services, and adhere to the applicable statutory obligations and legal requirements that are related to Occupational Health, Safety hazard and Environmental impacts.

Policy shall be reviewed periodically based on audit outcomes / Results.
